

Fondo Querini - CSS

An aerial photograph of a coastal landscape. The foreground shows a wide, sandy beach with some darker, textured patches. Beyond the beach, there are rolling dunes and a line of vegetation. The background is a dark, flat expanse, likely the ocean or a large body of water. The overall color palette is muted, with shades of brown, tan, and dark grey.

Fondo Querini - CSS

An aerial photograph showing a wide, winding river delta. A large, elongated island is situated in the center of the river. The surrounding land is flat and appears to be a mix of agricultural fields and natural vegetation. The water is a light brown color. In the foreground, a dark, diagonal shadow of a boat's railing is visible, indicating the photo was taken from a boat. The overall tone of the photograph is slightly faded and has a reddish-brown tint.
