The author of the present paper assumes full and exclusive personal responsibility for the electronic publication of the photographic materials included in this illustrative section. She confirms that she has obtained from all libraries holding copyright for these materials the publication permissions required by national and international laws regarding electronic publication and transmission. Therefore she exonerates Drs. Martin Bertram and Silvia Di Paolo, editors of the present e-book, from any copyright liabilities toward the concerned libraries.

Note of the editors: The siglum “N-Fig. X” distinguishes this personal series of images from those in the general section at the end of the volume. For technical reasons the identifications given in this list do not correspond verbally to those under the images. The content will be indicated only for others than Decretal manuscripts.
