## APPENDIX 1

## CODICOLOGICAL FEATURES OF MS BODL. LAT. THEOL. B.4

**A** = Horizontal cuts that neither affect the main text nor the gloss

**B** = Horizontal cuts made after the gloss was copied and which do not affect the gloss

**C** = Horizontal cuts made after the gloss was copied and which affect the gloss

Bold numbers indicate the presence of the same cut in two consecutive folios; underlined numbers indicate the presence of the same cut in two consecutive folios belonging to two different quires. Brackets indicate the presence of cuts in consecutive folios, although they do not necessarily refer to the same kind of cut.
