JAMHUURIYADDA DIMOQRAADIGA SOOMALIYA

(WASAARADDA WARSHADAHAA)

WARBIXINTA GUUD EE MACLUUMADKA WARSHADAHAA DALKA 1989.

HORDHAC:-

Wasaaradda Warshadaha waxaa caado u noqotay inay soo saarto sanad kasta buugga warbixinta guud ee Warshadaha dalka, oo looga waramo xaaladda ay ku sugan yihiin Warshadaha dalka oo u kala baxa warshaddo dawladeed & kuwo gaar ahaaneed (Private & Public). Dalkeenu hido iyo dhaqan uma laha Warshadayn, misana waxaa lagama maarmaan noqotay inuu dalku yeesho Warshaddo, Maxaa yeelay warshaddo la'aan waa horukac dhaqaale la'aan. Sida laga warqabo dal horumarkiisa waxaa laga garan karaa inta warshadood-kala duwan socda ee uu leeyahay oo ku hawlan wax soo saar Qonshaysan. Dalkeena waxaa horey looga abuuray Warshaddo farsameeya alaabta ceer-iin ee wadanka laga helo iyo kuwa dibadda laga keeno si loo gaaro horumar dhaqaale, haseyeeshee himiladii laga lahaa warshadaynta oo ah haqabtirida bashida dalka weli lama gaarin laakiinse waxaa lagu socdaa tubtii lagu gaari lahaa.

Wasaaradda Warshadaha waxay la soxotaa had & jeer wax soo saarka warshadaha iyo wixii mashaakil soo foodsaara, hase yeeshee ma sahlana si loo xaliyo dhibaato Warshadeed hadii aan loo haynin waxyaabihii loo baahnaa. Sidaa darteed, wasaaradda warshadaha waxay wax ka qabataa dhibaatooyinka warshadaha intii awoodeeda ah iyadoo ka hortagta dhibaata

nooc kasta ha ahaatee, islamarkaana dejisa hab iyo hanaan loo maro xalinta dhibaataada.

Buugaan warbixin sanadeedka ee Macluumaadka warshadaha dalka wuxuu ka kooban yahay sida soo socota:-

- I. Hordhac
- II. Hantigelin
- III. Mugga Wax soo saarka
- VI. Qorshaha tacab soo saarka iyo kan dhabta ah (Plant production & Actual Production)
- V. Xaaladda dhaqaale
- VI. Shaqaalaha
- VII. Dhibaatooyinka

Warbixintaan waxaa loogu tala galay in si kooban loo muujiyo xaaladda guud ee Warshadaha dalka (Warshadaha dawladda iyo kuwa gaarka ah) sida heerka wax soo saarka, shaqaalaha, Maalgelinta, suuqgeynta, baahida lacagta adag, isticmaalka korontada, canshuuraha faa'iido & Khasaare.

Sida aan ogsoonahay hadafka ugu weyn ee dawladdu ka lahayd Warshadaynta dalka waxay ahayd "Horumarinta dhaqaalaha dalka" arintaan waxay salka ku haysaa :-

- b). Abuuris goob shaqo, helitaanka shaqaalaha dalka inay bartaan farsamada technooloojiyada casriga ah si ay u hantaan socodsiinta warshadaha, taasoo ujeedada iyo himilada laga leeyahay tahay ka kaaftoomida aqoonyahannada ajnabiga ah & kor u qaadida aqoonta shaqaalaha Soomaaliyeed.

T). In Warshaduhu farsameeyaan alaabta ceeriin ee dalka, si looga kaaftoomo alaabta dibadda laga keeno qaarkeed oo lacag adag oo fara badan ku baxdo.

Waxaa xusid mudan in la sheego in warshadaha dalku noqdeen goob shaqo, kana shaqaysiiyeen shaqaale gaaray tirakoobkii ugu dambeeyay 10,326 qof oo isugu jira aqoon-yahano, xirfadle sare, xirfadle hoose iyo shaqaale kale.

Waxaa jira in warshadaha qaarkood sida warshadda dharka & suufka balcad iyo warshadda sonkorta Mareerey laga dhex sameeyay dugsiyo farsamo, shaqaale badana ay wax ku barten kuwa noqday farsamo-yaqaano dhexe iyo kuwa sare.

Waxaa kaloo jira in warshadaha dalka ay hortaagan yihiin dhibaatooyin fara badan kuwa ugu darana ay yihiin helis la'aan ta maalgelin iyo hantida socodsiinta (lack of investment & Working capital). Warshadaha dawladda waxaa markoodii hore lagu dhisay inay dawladda dhexe bixiso hanti-gelinta ay warshaduhu u baahan yihiin, bacadamaa ay qaadato faa'iidada & qiimo dhacaba mudada dheer ee ay warshaduhu soo jireen, lana siin jirin hantida socodsiinta, balse ay bankiyada amaah muddo gaaban ka qaadan jireen ayadoo la saaro dulsaar culays ku ah, oo aan la dhihi karin amaah warshadeed. Sida laga warqabo socodsiinta warshaduhu waxay u baahan yihiin amaah ku dhisan dulsaar khafiif ah iyo canshuur bixinta oo laga yareeyo, si badeecooyinka warshaduhu soo saaraan ula tartamaan kuwa la midka ah ee dibadda laga keeno.

Haddaba, markay warshadaha dawladdu soo shaqeyeen sanooyin badan faa'iidadii ay dhaliyeena lagu wareejin jiray khasnadda dawladda dhexe, wax dib u maalgelin ahna aan meel loo dhigin in hadda oo ay duugoobeen makiinadihii la yiri isku filaada, taasoo aan xal u noqon karin in socodsiintoodu ay hagaagto, maxaa yeelay warshadaha badankood waxaa ku kordhay deyn fara badan oo ay saa'idisay dulsaar xad-dhaafka ah ee ku kordhaya daymaha ay bankiyadu ku leeyihiin, iyadoo xataa qiimo dhac sanooyin badan soo jiray waxna aan meel loo dhigin.

Dhibantooyinka aan kor ku soo sheegnay awgeed iyo xaaladda guud ee dhaqaalaha dalka oo waayadaan dambe sii xumaanayay ayaan waxaan dhihi karnaa sababta dib u dhigtay horumarinta warshadeynta dalka.

Bacdamaa warshadaha dawladda xaaladoodu ay noqotay sida aan kor ku soo sheegnay ayaa wasaaradda warshadaha talo ku soo jeedisay iyadoo la socodsiisay dawladda dhexe in warshadaha loo qaybiyo kuwo istiraatiiji ah iyo kuwa kale oo caadi ah

Warshadaha Istiraatiijiga ah waxaa ka mid ah:-

- 1). Warshadda shamiintada berbera
- 2). Warshadda Sifeynta Battoolka
- 3). Warshadda sonkorta Mareerey
- 4). Warshadda sonkorta SNAI jowhar
- 5). Warshadda birta shubta
- 6). Warshadda sigaarka & taraqa.

Sidoo kale waxaa la gartay in warshadaha dawladda badankood ee aan Istiraatiijiga ahayn sida:-

- 1). Warshadda Somaltex
- 2). Warshadda maacuunta
- 3). Warshadda Bacrinta
- 4). Warshadda hilibka kismaayo
- 5). Warshadda Jibsuimka berbera
- 6). Warshadda eterniga berbera, loo helo xal munaasib ah iyadoo lagu wareejinayo cidii rabta ama wadaag la galaysa (Joint venture) dowladda soomaaliyeed. Waxaan tusaale u soo qaadanaynaa warshadda saliidda ee xamar oo shirkad Belguim ah dawladdu kula gashay heshiis wada lahaansho (Joint venture) si looga mira dhaliyo warshadaan oo in muddo ah soo jiidamay say, iyadoo alaabta ceeriin ee ay ku shaqayso laga heli karo wadanka gudihiisa.

Waxaan ku rajo weynahay in sidoo kale xal loogu helo warshadaha dawladda qaarkood oo in muddo ah gaari waayay ula-jeedadii laga lahaa. Wasaaradda warshadaha waxay diyaar u tahay inay qayb weyn ka qaadato xal u helidda warshadaha aan kor ku soo sheegnay.

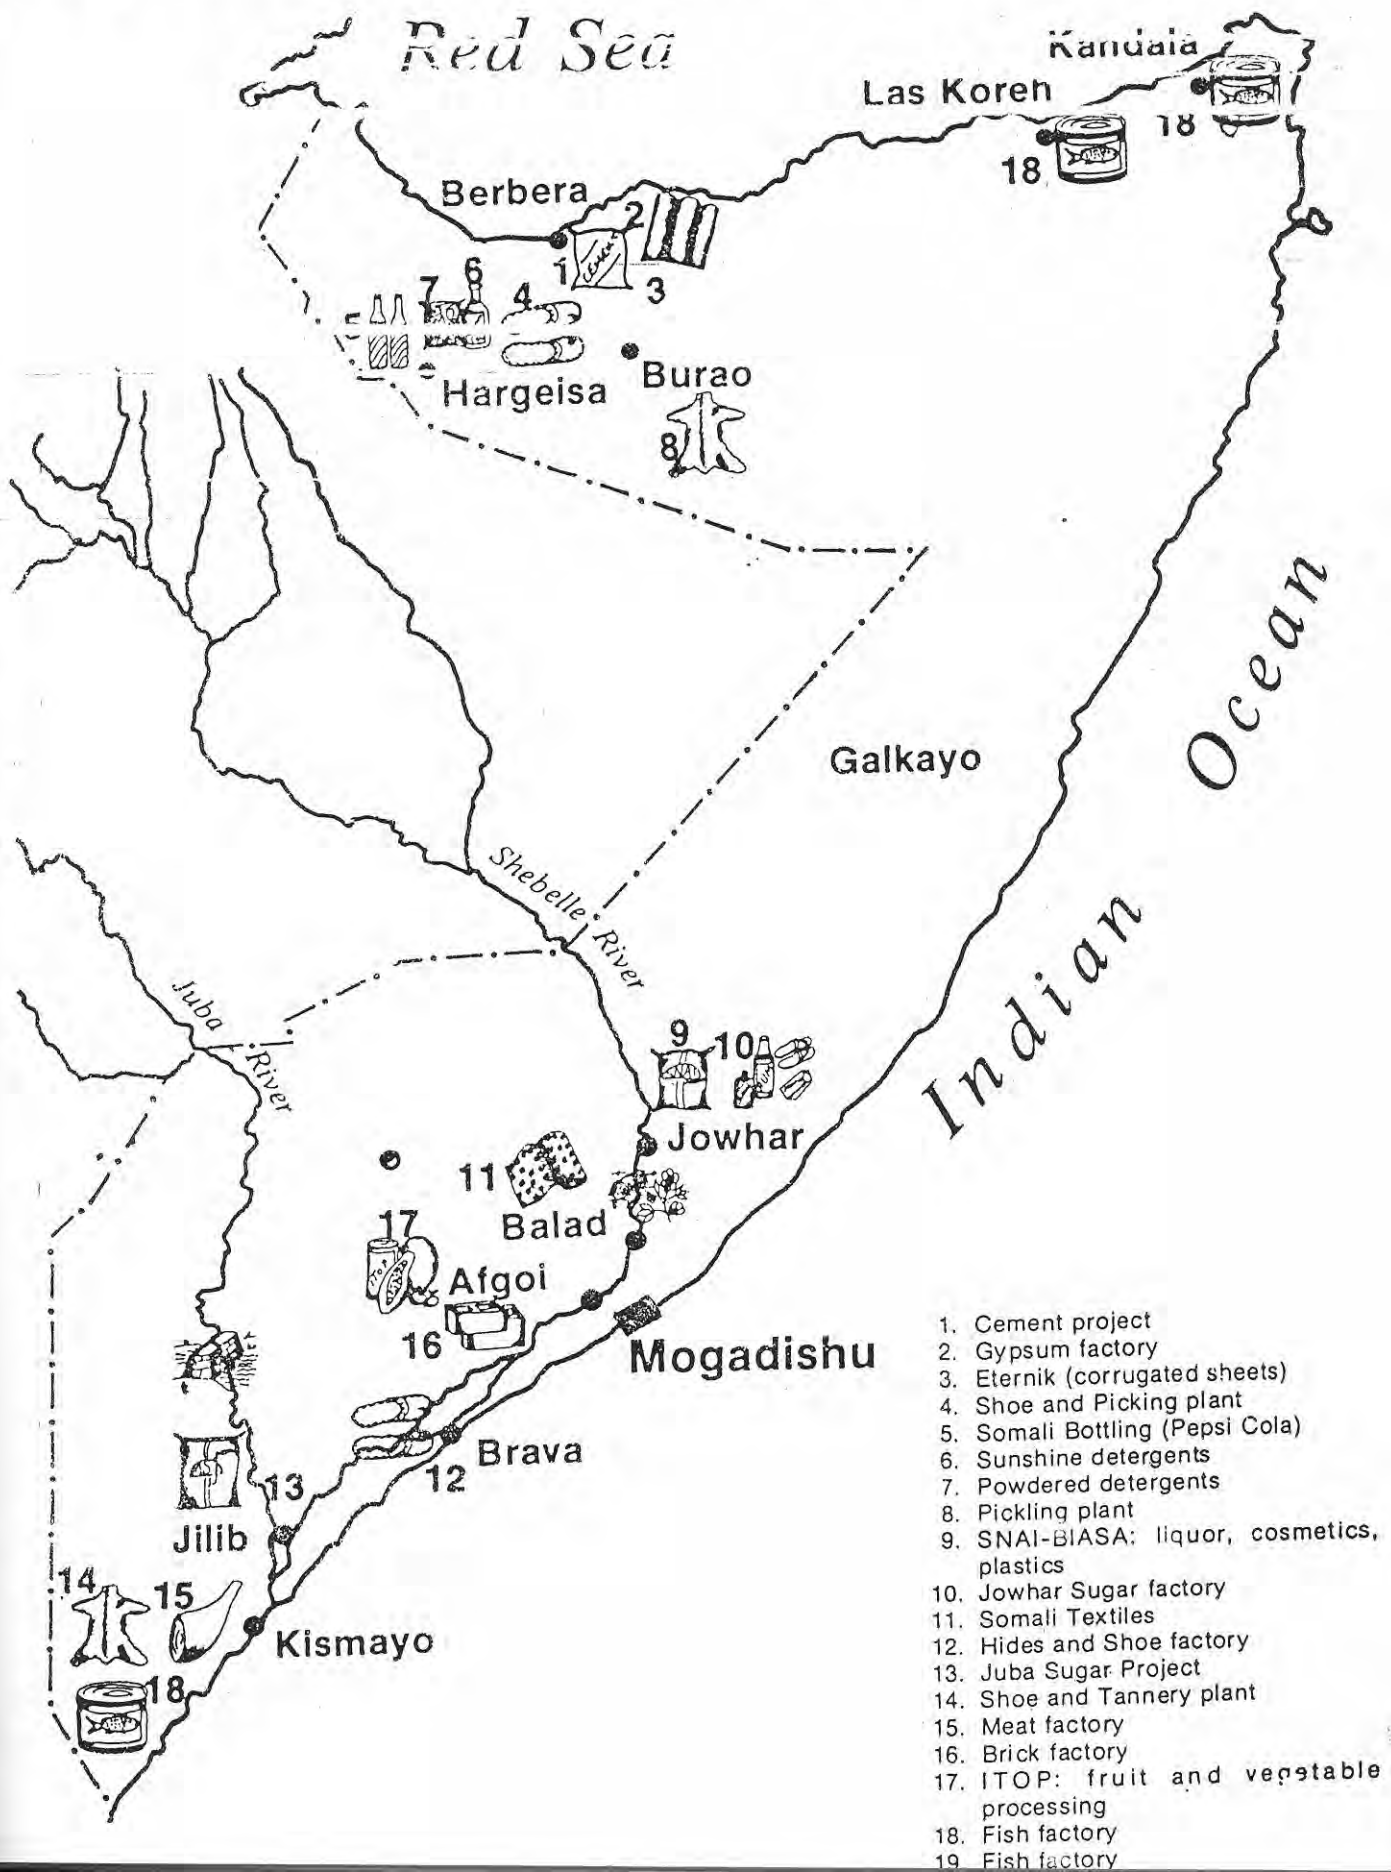

Sanooyinkaan dambe waxaa dalka ka soo hana-qaaday warshadaha gaarka ah oo qaarkood ku talaabsaday horumar la taaban karo, laakiinse waayadaan dambe waxaa ciriiri galiyay helitaan la'aanta lacagta adag, iyo tas-hiilaadkii ay filayeen oo ay waayeen, sida helitaanka joogtada ah ee korontada, deynta bankiyada oo leh dulsaar hoosé oo loogu tala galay

warshadaynta dalka, si ay u gaaraan horumar dhaqaale iyo hadafkii laga lahaa abuurista warshadaha dalka.

Wasaaradda Warshaduhu waxay kaalin buuxda ka qaadatay sidii looga hortegi lahaa dhibaatooyinka waayahaan dambe soo food-saaray warshadaha qaarkood, waxayna la socodsiiyay dawladda dhexe sidii xal munaasib ah loogu heli lahaa, had iyo jeerna waxay ku han weyn tahay inuu wax soo saarka warshaduhu sanadba sanadka ka dambeeya sare u kaco, si loo gaaro horumar la taaban karo.
